Introduction

NOVA is a reliable supplier of Mortice Handle and Lock in India. Our design Handle and Locks are ideal for door in all residential, commercial, and industrial spaces. Highly recognized in the market for high durability, longer life, and corrosion resistance, these handles and locks are available at affordable rates easily.

We supply Mortice Handles and Locks in dual finishes and different designs such as sharp, minimalistic, futuristic, and bold. Their seamless designs are perfect for human hand grip and comfort. Some handles and locks have geometric curves and lines which highlight their elegant beauty. Our products complement any type of establishment and add to the style.

We are known to provide the most comprehensive product range to its valuable clients at the national level. Our highly focused efforts have helped us in positioning ourselves amongst the prominent companies in less time. With a client-centric approach, the company puts their all efforts to deliver the maximum satisfaction of the clients.
